## Evil side of Beauty

Ugly  
Beautiful  
Hatred  
Beloved

Don't how I should feel  
My feelings are going round like a merry-go-round  
Don't know what I should do  
Don't know where to go  
Don't want to know it  
Don't want to go anywhere  
Don't want to stay  
Don't want to go away  
Want to go my way  
Want to feel like I feel  
Don't want to tell people how I feel  
They don't need to know it  
Not when they can't recognize by themselves how I feel

Beautiful  
Beloved  
That's how I want to feel  
Ugly  
Hatred  
That's how I feel

Want to send my feelings to hell  
Want to let them die a terrible death  
Just like my heart is dying a terrible death since I was born
