## smile a last time

Von Shinray

### Kapitel 2: Take me away

#### Take me away

Without a dream  
Without a hope  
Without a smile  
Without everything

I must go anywhere  
Only away

Love me for nothing  
Hate me for everything  
Kiss me for one second  
Kill me for a last time

No fear  
No qualm  
No charity  
No way out

I must go anywhere  
Only away

Love me for nothing  
Hate me for everything  
Kiss me for one second  
Kill me for a last time

Until you see  
Until you hear  
Until you listen  
Until you say

Im sorry

I must go anywhere  
Only away

Love me for nothing  
Hate me for everything  
Kiss me for one second  
Kill me for a last time
