## Denial

Ok, that's my first attempt to write something in english  
don't be too harsh^^'

~\*~\*~\*~\*~

Though at our first meeting I was more than terrified, I thought that he was gorgeous.

*Somewhere in the back of my mind  
secretly I know you will find  
me amongst the blushing and glow  
deep beyond the things I don't show*

At our second meeting I still thought that he was gorgeous. And an arrogant ass.  
Actually he seemed to be quite a lot of things.

*mysteries a beautiful thing  
what a gift a woman can bring  
never let it out just like that  
let him slowly figure it out*

Of course I didn't tell him. I never did.

*how can a flower bloom just over a day?  
and at night  
you gotta let the water drain in*

And suddenly it was too late. I never wanted to fall in love with him. I mean, honestly, I can't remember a single minute in this whole fuckin' week he wasn't about to kill us both.

Being with Jace was dangerous. He was dangerous. Very much so.

*I didn't wanna fall in love with you  
I didn't wanna know the things I knew*

He kissed me. In Hodge's greenhouse.

And then Simon told me he loved me. I thought I had to die. Did they want to make me

choose? I loved Simon like a brother. But when Hodge handed Jace over to the enemy, I knew I loved him more.

Was it that obvious? Was that the reason why Valentine had to rub in that he wasn't just mine, but Jace's father too?

*it wasn't till I looked into the mirror*

I was in love with my brother. I'm so disgusting! There was no way I'd tell anyone that my feelings were still the same as before.

And anyway, I blame puberty.

*denial.*
