### Just imagine LOVE

Imagine...

A room, small space in comparison to the greatness of the earth...

Heat. Cool, thinking of the fire's heat...

A crowd, driven by energy..pure, sinful energy rushing through their bodies.

Noise. Screaming...shouting....yelling, crying, singing....such tiny sounds.

Yet so meaningfull.

Painful yearning.

Reaching... gaining... achieving.

A small heart's desire

Too close.

All attention drawn to the beings on stage

Vibrant veils engulfing them

Embracing the audience...

Loosing the grip to reality

Be

Pure

Flesh on flesh. Breathing. Heat.

Blood.

Rough passion....strong, sinful, endlessly pleasing...

Beauty.

Echoing sounds....music. Repeating the hate, the anger, the love, the fear, the willing to LIVE over and over again.

*Screaming out your emotions*

A glare out of hungry, shivery eyes, crashing into some other person's gloomy eyes.

Light it up.

Smile.

Jump.

*motto*

Look at me.

Just imagine

*Goodbye*

I love. I love you.
