Kapitel 1: The despair forbidden love brings

It was the 30th March.
Toshiya was sitting on the edge of his bed. It wa slaready 4 o'clock in the morning.
"This is my final farewell. There won't be anymore with you... Kaoru."
He was holding a razorblade in his hand. With an angel-like face he cut his veins open and laid down on his bed. He let the blood stream out of his body freely. Toshiya closed his eyes and a smile appeared as his last motion on earth on his face.
Some 15 minutes later his mom went to the toilet and headed back then for her bedroom. She passed Toshiya's bedroom and saw the lights still on in his room. Carefully she knocked onto the door and called out for him. No response. She tried again louder. Finally she opened the door quitely. Suddenly there was a scream.
She saw her son lying on his bed, covered in blood and the razorblade lying on the small table besides his bed. Toshiya's father jumped out of his bed and ran for his son's room. He had no idea what was going on.
"Darling, what's the matter?"
Toshiya's mother was sliding down the doorframe slowly, crying her heart out. Finally Mr. Hara saw his son. The first thing the thought was that maybe his son was still alive? Finally Toshiya's dad called for the ambulance and tried desperately to stop the bleeding.
After Toshiya's mum gained consciousness again she entered the room of her son, just to find the letter he left for them:

"Dear Mom, Dad.
Please don't be mad at me. It was not your fault, or anybody's exept mine. It's hard to be in love with someone you're not allowed to be. He is the only person who made me ever really happy. Please don't blame him for anything ok? I haven't forgotten all the precious memories we shared. It is the burden of a lover which made made me fall. Fall into weakness. I had no strength anymore to fight...
Kaoru will arrive in Nagano tomorrow at 1 p.m. He knows where I live because he was here before, when you two were at grandma's for the weekend. I'm sorry to have lied to you in this point, but I was afraid to tell you that I have a boyfriend.
Please tell him that he can have all of my belongings. And stop him if he wants to do any stupid things with himself. He was the only person who owned my heart...

With this I want to say sayonara to you. Please don't cry mum. And dad don't blame yourself. You were wonderful parents. I love you...
Toshimasa"

Mrs. Hara's face went pale immidiately. She showed the letter to her husband who was silently praying for his son to survive.
Finally the ambulance arrived.

Kapitel 2: Face the truth

Kaoru's train arrived on time in Nagano. Now it was just 10 more minutes with the subway to Toshiya's place.
On his way there he was thinking about Toshiya's scent, the way his fingertips brushed over his skin, the way he kissed Kaoru, the way they made love.
Kaoru was 19 and Toshiya 3 years younger then him, but Kaoru always treated Toshiya as if he was as old as him.

Finally he was standing in front of the entrance to the house of the Hara's. Hesitantly he rang the bell.
Toshiya's dad opened the door.
"Hello Mr. Hara! It's nice to meet you!"
Kaoru firmly bowed down.
"You have to be Kaoru-kun right?"
Kaoru just nodded.
"Please come in."
Kaoru stepped inside and Toshiya's father closed the door behind him. Kaoru slipped his shoes off and dropped his back in the corridor.
"Erm... where is Toshimasa?"
"Kaoru please follow me to the living room."
Kaoru felt that something bad was upon him, that the fires of hell would come down on him. He gulped and followed Toshiya's dad to the living room. As they entered the living room Toshiya's mom came onto display. She was sitting on the couch, looking really miserable.

"Please take a seat." Toshiya's dad told him with a very calm voice and mentioned the armchair to him. And so Kaoru sat down, on the edge of it. He felt tense and miserable. His mind was running a million miles an hour. So many possibilities why they wanted to talk to him came into his mind. Had they found out? Had something happened to Toshiya? He didn't know. All he could do was to sit and listen, and he didn't like this.

"Kaoru-kun... my wife and I just came back from the hospital..."
"Is Toshimasa in the hospital?! Is he injured?!"
Slowly sad tears started rolling down Toshiya's mom's cheeks. Kaoru felt like somebody had pierced his heart with a knife.

"Our son... disappeared two hours ago from this world."
Kaoru felt the blood inside his veins rushing down from his head to his feet. He got pale immediately. His hands started shaking, his gaze blank.
"This is not true, isn't it? This is not true!!"
Kaoru jumped up form the armchair he had been sitting on and ran to Toshiya's bedroom. He swung the door open and saw the used bed with the blood stained sheets.
He covered his mouth with his palm, so he wouldn't scream.
With hesitant steps he moved towards the bed and kneeled down in front of it.

Silently, just to himself, he started whispering that this was not true. The first tears started rolling down Kaoru's cheeks. He just shook his head. This couldn't be true. How could the one he loved, his precious one, his treasure in life, slip out of his hands? How could he just disappear?
He buried his face in his arms and cried. He cried for his beloved one to return into his arms.

Suddenly he felt his stomach turning. He felt getting sick. The smell of the drying blood came to his nose and it made his stomach turn, so he just made it to the toilet to throw up.

After calming down a bit he returned to the living room, where Toshiya's mom and dad had waited for him. His facial expression was just blank, or better said numb. The only thing he could talk and think about now was Toshiya.
He sat down in that armchair again and looked at Toshiya's parents.
"How did this happen?"

Mrs. Hara explained it all to Kaoru with a very calm and sad voice:
"Last night when I went to the toilet I saw the lights in Toshimasa's room still on. I opened the door after I knocked to it and heard no response. And there he laid... he died in the hospital."

_____

Kaoru was standing in front of the hospital, together with Toshiya's parents, before they stepped in together, going down to the mortuary, to pay Toshiya a last visit.
The Haras had already seen their son like this, but Kaoru wanted to see him before he'd get buried. He stepped into the hall, asking someone from the personnel there. He told them he was his cousin, so they'd let him see him.
Toshiya's parents were at Kaoru's side when the corpse was pulled out and the sheet covering him was lifted, so he could see his face and some of his upper body.
Kaoru thought he was going to faint. Now he had evidence that Toshiya really had left this world, and hopefully gone to a better place, where he could be free, with a society without rules and issues.
Though one thing surprised Kaoru. There was no sign of pain on Toshiya's face. He looked like he had died happily.
And before Kaoru could realize anything else, Toshiya's face got covered again and his corpse pushed back in.

With quick steps Kaoru made his way out of the building.
The only thing he could think of was that his koi was dead. He sat down on a bench in the park of the hospital and lit a cigarette, when he noticed someone sitting down besides him.
"Can I get one too?" It was Toshiya's mother asking Kaoru. He gave her a cigarette and lit it.
"May I ask you something?"
"Sure, Mrs. Hara."
"Have you and my son been lovers?"
Kaoru didn't dare to say a word. He just swallowed.
"Don't be afraid. He wrote it in his letter."
She handed the letter over to Kaoru and he started reading it. After he finished reading it, he turned to Toshiya's mom, looking at her with teary eyes.
"Yes, your son was my lover." (Gods... ;___; -Yuki)
"I'm relieved that you are such an honest person who didn't lie to me now. You still could have said no and had just played with Toshimasa."
Kaoru shook hi head. "No... I really fell in love with him that one day." Then he blushed.
"When?" Toshiya's mom asked the blushing young man.
Kaoru just wanted to answer when...

"Hey Darling!" Toshiya's dad was coming over to them.

"Oh, my husband is coming. You can tell me later at home, when he is asleep." She smiled at him and turned to her husband who was just some steps away.

Kaoru nodded and forced a little smile onto his lips, so Toshiya's dad knew that everything was ok.

"I filled out all documents. We can drive back now."

_____

Toshiya's dad had gone to bed. Kaoru and Toshiya's mom were sitting in the living room, having a cup of tea.
"So, Kaoru... Now tell me: How did the two of you meet?"
"Do you remember last year when your son went to Tokyo for an X Japan concert?"
"Eh... yes."
"That's where we met. We were standing besides each other in the same block and talking about how great X Japan was. We were talking also after the concert too and that was why Toshiya missed his train. I then decided to take him with me to my hotel room, because I felt guilty and it really was my fault that he missed his train back to Nagano."
"Now I understand why he came back on Saturday not Friday night!"
"That was the reason, hai. So I took him with me to the hotel I had a room in. We got some ramen and coke and went up to my room. Both of us took a shower, ate our ramen and talked about music and that he was playing guitar and me too. And then..."
Kaoru hesitated, but after a short break and a sip of his tea, he went on...

~FLASHBACK~

Kaoru and Toshiya were sitting on the bed which was in the hotel room.
"Ne~ Kaoru-kun, I never thought I'll meet someone like you at his concert."
"Same here ^.^V"
Both of them were sitting there in their boxers, nothing else. Kaoru looked at Toshiya's body. He was really thin, but he looked beautiful. So fragile, kinda feminine. This kind of boys attracted Kaoru. Kaoru had never even thought of kissing a guy but he wanted to do it ... now!
Toshiya was looking innocently at Kaoru, thinking about nothing. Kaoru's expression changed in just one second. His gaze at Toshiya looked more passionate, nearly like in love. Kaoru gathered all his courage, leaned over to Toshiya, and just kissed him. Toshiya even didn't try to back away, he enjoyed it! (WHOA! *_* -Yuki) Kaoru was surprised that Toshiya didn't do anything. When Kaoru broke the kiss he was afraid of how Toshiya would look at him now, but nothing had changed. Toshiya smiled at him. Then Kaoru smiled at Toshiya too. He gave him a smile and kissed him again. This kiss was more passionate. Toshiya's right arm snuggled around Kaoru's neck and Kaoru had his arms around Toshiya's waist.
They were kissing really wild. Toshiya's hand slided down to Kaoru's nipple and softly started playing with it. Kaoru just let it happen. He said to himself that he wouldn't regret anything he would do now. Kaoru's hands went down lower to Toshiya's butt

and gave it a nice squeeze. Toshiya grinned.

Slowly Kaoru started pushing Toshiya down, making him lie down on the bed. He himself was lying over Toshiya, nuzzling in the curve of his neck, starting to kiss it.

"Kaoru..." Toshiya sighed contently.

His hands were on Kaoru's back, caressing him slowly, making Kaoru have a cold shower run down his spine. His hands went to Kaoru's chest, softly rubbing his nipples and pushing him up so he'd lie down

When Kaoru was finally on his back, Toshiya sat down on his lap and started biting his earlobe gently, his hands still teasing Kaoru's nipples. A light moan escaped Kaoru's lips. He pulled Toshiya completely onto him, holding him tightly, so he wasn't able to move.

"Kaoru...? You don't want me?" Toshiya sulked.

"No... I... I want you, but... I don't want to rush this... because..." Kaoru fell silent.

"Because what?" Toshiya asked him demandingly.

"Because... I think I fell in love with you..." Kaoru quickly turned his head away, facing the door of the hotel room. But his head was pulled back by Toshiya's gentle touch. He was smiling at him, making a surprised expression come up Kaoru's face. Toshiya leaned down and kissed Kaoru onto the lips, pouring his heart and soul into the kiss.

"So do I, Kaoru..."

And then he just let Kaoru hold him tight, sighing satisfied.

~END OF FLASHBACK~

"Ah so it happened!" Toshiya mom sipped some more of her tea.

"Yes and the next day both of us had to go home... I left him my number and 1 ½ weeks later he gave me a call, and this was when I visited him here, when you and your husband were at away. That's why I knew how to get here..."

"That explains much to me..." Mrs. Hara studied Kaoru's troubled expression. "Sou... I'll go to bed now. I have put up the guestroom for you. See you tomorrow for breakfast, I guess, Kaoru-san?"

Kaoru nodded and stayed where he was, on the couch. When Toshiya's mom had slipped silently into the bedroom, Kaoru got up, making his way to Toshiya's room. He bed was clean now, but everything else was how Toshiya had left it. Clothes he had worn were lying on his chair, a shirt and his jeans. Slowly, with a loving touch Kaoru's fingers brushed over the fabric of the jeans, Toshiya's favourite jeans. He had worn them to the concert.... Kaoru felt tears welling up in his eyes, and he just let them slip down his eyes, rolling over his cheeks. Even the pen Toshiya had written the letter with was still lying there where he had left it; and his Discman, with X Japan's "Blue Blood" in it, still there on the nightstand. Kaoru sat down on Toshiya's bed carefully and pushed play, the Discman starting to read the disc in.

~Dry your tears with love~

Kaoru put his hand over his mouth not to sob loudly, the tears streaming down his face, dripping onto the carpet. Quickly he pulled the plugs out of his ears and put them aside, turning the Discman off and leaving the room.

When he was leaving the room, he passed Toshiya's parents' bedroom and heard his mother sob and cry silently in the dark night.

Kaoru put his shoes on and grabbed the keys off the little table besides the door and left the house, his feet taking him somewhere. He was wandering around, his thoughts being filled with Toshiya, just with Toshiya.

~FLASHBACK~

Kaoru was standing in front of the door of Toshiya's place.
Toshiya was looking through the window, watching Kaoru approach the house. When Kaoru rang the bell he immediately opened the door.
Both of them were looking at each other. Toshiya took a step aside to let Kaoru in. Kaoru put his bag down and looked at Toshiya and Toshiya at him, till Kaoru took Toshiya into his arms. Both of them were nervous like hell. Kaoru looked down at Toshiya (In this story Kaoru is still taller then Toshiya -Yuki) and placed an innocent kiss on Toshiya's lips. Somehow they were so shy and nervous, though they nearly have had sex.
"Hey..." Toshiya smiled up at Kaoru.
"Hey little one." Kaoru grinned, making Toshiya pout. Kaoru then slipped his shoes off and Toshiya took Kaoru's bag, carrying it to his room.
Kaoru was still standing there in the corridor when Toshiya came back, unsure of himself and what to do.
"Please come in..." Toshiya smiled. "You want a drink or anything?"
Kaoru just nodded. "Water would be fine."
So Toshiya brought him a glass of water, sitting down on the couch with Kaoru.
They were sitting there, silently besides each other. This situation was so odd...
"How was the train ride here?" Toshiya asked, trying to come up with some conversation.
"Long... and it was all hot in there."
"Is there anything you would like to do?" (*cough*hack*cough* How innocent X___x;; -Yuki)
"No... I'm ok as long as I'm with you..." Kaoru smiled cutely, not really showing it to Toshiya though.
Toshiya stared smiling like an idiot and then he flicked the TV on, Gundam Wing being aired.
"WHOA, Gundam!" Kaoru exclaimed.
Toshiya turned around with a surprised expression. "You like Gundam?"
Kaoru nodded hesitantly and blushed a bit. "Yeah..."
"Me too!" Toshiya bounced a bit making Kaoru laugh.

So they ended up watching Gundam, Kaoru starting to feel uncomfortable. HE shifted around a bit.
"What's the matter?" Toshiya asked worried.
"This is... kinda... odd."
"What exactly do you mean?" Toshiya looked surprised at Kaoru, who had put on a serious face.
"I mean... we were kissing and doing... stuff. And now we don't even look at each other."
Toshiya didn't say anything to that, he just blushed. Maybe back there in the hotel it just had been the fading excitement of the concert and the lust they shared in that moment, but now they were madly in love, crazy about each other.

"Or did anything change between us?" Kaoru asked concerned.

Toshiya shook his head eagerly Kaoru smiled.

"C'm here..." Gently Kaoru pulled Toshiya up himself, making him lie down on his chest. He brushed Toshiya's hair back out of his beautiful face and planted a soft kiss on top of the younger one's head. Toshiya relaxed against Kaoru's soft touch and leaned his head onto his shoulder and sighed. He took Kaoru's hand into his and wrapped Kaoru's arms around his own body. He looked up at Kaoru and smiled. Slowly Kaoru brought his lips to Toshiya's ear. They brushed lightly against his earlobe.

"I love you..."

Toshiya blinked a few times rapidly and felt heat rising in his cheeks. Toshiya looked up at him and then pulled him down by his neck to kiss him.

"I... I love you too, Kaoru." Toshiya felt tears stinging his eyes.

"Shh... Toshiya..." Kaoru looked at him smiling. Their lips met again, more passionate THIS TIME: Toshiya turned around and was sitting on Kaoru's lap now. Kaoru wrapped his arms around Toshiya's waist and pulled him closer.

"Kaoru..." Toshiya grinned art Kaoru. "Nasty!"

"Nasty?" Kaoru grinned now too. His hands went down to Toshiya's bottom and gave both of his cheeks a squeeze. "That is nasty" A devious grin on his lips.

Toshiya squealed a bit. "Yes that was nasty."

They grinned at each other and went back to kissing again. Kaoru and Toshiya parted then from each other, due the lack of oxygen. Panting lightly Kaoru caressed Toshiya's face. "You are so damn gorgeous, it's not possible anymore." Toshiya blushed like mad. "Kaoru stop it!" Toshiya jumped off Kaoru, and Kaoru sulked playfully.

"Are you hungry or something? We could cook or order some pizza, if you want." Toshiya suggested.

"Coking sounds nice." Kaoru smiled. Cooking with Toshiya..., would probably get interesting.

Toshiya turned the TV off and made his way to the kitchen, Kaoru following him.

"Sow what do we have here?" The younger one started browsing the cupboards and the fridge. "We could do Okonomiyaki, Sushi, Curry or just some Ramen if you want. So what would you like?"

Kaoru looked at him wide eyed.

"You can cook all of this??"

Toshiya blushed. "Yeah...

Kaoru was surprised and had to blush too.

"My mom taught me, because they go on trips often and stuff..." Toshiya explained. "So what about some Curry?"

Kaoru nodded. "Sure! Can I help you somehow?"

"Uhm..." Toshiya started taking the out the meat, vegetables, rice and so on. "You could cut this and that." Toshiya pointed to the vegetable Kaoru should chop.

Everything ended up n a big mess in the kitchen, Kaoru and Toshiya laughing and some tasty Curry.

After they were done eating in the living room, they just watched some TV and let the kitchen how it was.

Slowly Toshiya snuggled up to Kaoru, and Kaoru put his arm around him, smiling.

"The Curry was... oishii! You are a good cook!"

Toshiya looked away, because he was again blushing lightly and didn't want Kaoru to see. But he was gently pulled back, just to get kissed.

"You taste like curry..." Kaoru laughed lightly.

"Heh... you too." And so Toshiya kissed Kaoru again, and made him lie down on the couch. He kissed Kaoru's neck and the curve of it, going down to his collarbone, which was on display thanks to the wide neck of Kaoru's shirt... He kissed him, sucked lightly on his tender flesh and his hands started travelling down Kaoru's chest, to his belly.

(*sits in the bathtub* Maybe some of you are surprised now by Toshiya's actions, but Kaoru is 19, Toshiya is 16 in this story, and I think that with 16 he shouldn't be that shy. It would be so if he was 14, but I just decided to let Totchi do more in this way. Or haven't you made out with someone when you were 16?! Anyways, back to the story... -Yuki)

Kaoru closed his eyes and let Toshiya do whatever he likes. He enjoyed it, a lot. Maybe even too much for his taste, because he felt his blood rushing to a certain point of his body.

"Toshiya.... Stop." Kaoru pleaded.

Toshiya's head shot up and he looked at Kaoru with a mixture of hurt, worry and sadness in his eyes.

"Did I do something wrong? Did I hurt you? ... Or am I just so bad at this?"

Kaoru shook his head eagerly

~The opposite of it Toshiya! The opposite! Just too good!~

"No, it's just... This is leading to... stuff you know... and I don't want to do it with you on a couch..." Now Kaoru blushed a bit.

"Ah, ok..." Toshiya smiled at him, even a bit of a smirk. Toshiya just sat back down on the couch and helped Kaoru back up.

Kaoru calmed a bit down again. They sat there on the couch holding each other and kissing from time to time, while watching a movie.

IT started getting late. 11 p.m. already had passed.

"So... you wanna take a shower or something? I can set up the bed in the meantime." Toshiya offered Kaoru.

"Sure and thanks ne~?" Kaoru smiled and got up from the couch. Toshiya then lead him to the bathroom, gave him a towel and explained to him where everything was. He left the bathroom to set up the bed.

Kaoru started to strip off his clothes in front of the shower. He let the warm water run and stepped under the shower.

Toshiya was tidying up the kitchen after he had set up the bed. He heard the water run under the shower.

The door to the bathroom was not completely closed. He went over to the bathroom and couldn't help but peered in. Just a quick glimpse...

He saw the puddle of Kaoru's clothes on the floor in front of the shower and slowly he opened the door a bit more, he just couldn't help. He saw Kaoru standing there, naked under the shower, the hot water running down his gorgeous naked body.

Toshiya swallowed hard. This was too much for the young boy. He felt his pants getting tighter, and his stomach flutter. He had never desired anybody else that much.

He hesitated, but then steppe din without making any noise. Toshiya started to strip off his clothes too.

The shower was so loud that Kaoru didn't hear anything, but suddenly he felt two

long arms looping around his waist. He turned around to see a grinning Toshiya in front of him.

"I... you... why..." Kaoru started to stutter, but then he just grinned back, wrapping his arms around his koi's waist too, kissing him hard onto the lips, pushing him against the cold shower wall.

Toshiya squealed a bit by the contact of the cold shower wall and his skin, but he forgot that feeling quick enough, because he felt Kaoru's tongue penetrating his mouth and his hands running down hi stomach to his half erected cock. Toshiya's eyes rolled into the back of his head when Kaoru took hold of him and started stroking him. Toshiya couldn't believe that this was actually happening. That what he had dreamed often enough about: Having sex with Kaoru.

Toshiya opened his eyes again and pulled Kaoru closer to him.

"You are... ah... gods Kaoru!" Toshiya couldn't finish his sentence off because Kaoru had started pumping on him and that was too much for Toshiya. Kaoru had to grin like a maniac. He liked the way Toshiya and his body reacted to his touches, the way he looked when he was aroused. And the sweet sounds which were escaping Toshiya's lips from time to time and made Kaoru just get harder and harder.

This boy was making him lose his mind.

Toshiya's knees were already shaking. With a whimpering voice he pleaded Kaoru to stop.

"Kao...ru... stop...I'm... going..."

Kaoru kept on going, holding Toshiya around the waist, because otherwise the younger one would have already slided down the shower wall.

"What? To cum?" Kaoru grinned deviously at stopped, letting go of Toshiya's throbbing erection. Toshiya groaned in dissatisfaction and pulled Kaoru's hand back onto his cock.

"No... please, go on..." Toshiya looked into Kaoru's eyes and leaned a bit up to kiss him. Following the wish of the younger one, Kaoru started pumping on Toshiya's arousal again, gripping it harder and going faster this time.

Toshiya clung to Kaoru, digging his nails into the bare skin of Kaoru's back and shoulders, and then... he came.

Out of breath Toshiya let himself slide down the shower wall. When he caught his breath back, he looked up at Kaoru, his eyes wandering down Kaoru's body to his erection.

Toshiya kneeled down in front of Kaoru and let his hands slide up to his hips and gripped them, pulling Kaoru closer, one hand leaving his hips, starting to caress his erection. His fingers danced over the swollen organ until his he started licking Kaoru's precum off the tip.

Toshiya's actions made Kaoru have cold showers run down his spine, and feel and unbelievable intensity of pleasure.

This time Kaoru's knees started shaking, when Toshiya began to lick him from the base to the tip and the other way round.

"Gods Toshiya... please... take him...-"

And before Kaoru could say anything else Toshiya had taken Kaoru's member into his mouth, starting to suck on him gently.

He had never done this before. It was the first time he was doing that, so he did what he thought felt nice, and Kaoru seemed to enjoy it, a lot.

Toshiya kept on going, making Kaoru's cock rub against the inner side of his cheek.

Kaoru felt his knees buckling, and Toshiya couldn't hold him up, so he let him slide down the shower wall gently.
Kaoru was now sprawled all over the shower floor and Toshiya hovering above him, going on with sucking him off.

"Please don't stop..." was the last thing Kaoru muttered before he gripped some strands of Toshiya's black damp hair and pulled lightly on it. The closer he got, the harder he grippe don Toshiya's hair.
Kaoru started moaning so loud that you could hear him two rooms further away form the bathroom without a problem.
Toshiya had problems at keeping control of Kaoru's hips because they were jerking upwards from time to time. Kaoru started writhing in pleasure, need and desire, under him.
"Gomen ne..." Kaoru apologized under his breath for not being able to hold still, but it made Toshiya smile sweetly and suck Kaoru just harder. He deep threatened Kaoru the best he could and as far as he could, and finally Kaoru came, into Toshiya's mouth.

Toshiya gently let Kaoru's member slide out his mouth and swallowed all of his cum, tasting that substance for the first time in his life. He never knew that it tasted so... awful. Bravely he had swallowed it all down and wiped the rest of it off his mouth with the back of his hand.

Kaoru was still lying there, panting, not able to believe what his young lover had just given him.

"Toshiya... that was..."
Curiously Toshiya watched Kaoru.
"A religious experience!" Kaoru laughed, and so did Toshiya.
"I mean... it was amazing."
"Toshiya smiled at his koi. "So were you."

Kapitel 5: Dying a little death

Ich weiß hat n bisschen länger gedauert als gesagt, aber dafür bin ich mit dem nächsten Kappi in ein paar Stunden fertig und dann ist diese schrecklich traurige Fanfic auch zuende. Schade eigentlich... vielleicht schreib ich ja noch einen Epilog? O___o

_____

Kaoru found himself back in front of the door of the Hara's place. He sighed and pushed the key into the hole, turning it around quietly, pushing the door open, stepping in and closing it quietly. He took of his shoes and made his way to the guestroom and got some fresh clothing out of his bag. He just had to wash of the trouble of this day. Good that the bathroom was on the other end of the corridor, so he wouldn't wake up Toshiya's parents.
He stripped his clothes off and stepped under the shower. First the water was cold but seconds later it got warm and he put his head under the warm shower spray. He let his head hang down and looked at the shower floor. His gaze started wandering around till it rested on one specific corner of the shower, there where Toshiya had sat that one night.
Kaoru saw the small silhouette of his dead koi sitting there, in front of his inner eye. He saw that warm loving smile again, felt that gentle touch on his shin again, and how the small fingertips ran up his thigh. Gods this seemed just to have happened minutes ago.
He found himself crying, the salty fluid mixing up with the water. You couldn't recognize what was what anymore.
He just closed his eyes and tried to get lost in his memories of that one night...

~FLASHBACK~

Kaoru had found his breath back and looked at Toshiya who was giving him a warm loving smile. Kao slowly started getting himself together again and sat up, reaching out to caress Toshiya's cheek, then he stood up.
"Come on little one." He said and held his hand out to Toshiya, who accepted it gladly. They stood up and Kaoru leaned down to plant a soft kiss on Toshiya's lips. Both of them got washed up and jumped out of the shower.
Kaoru just grabbed a towel and started drying Toshiya who was squealing a bit because he was ticklish, and Kao had found pleasure in teasing the younger one. Toshiya started poking Kao into the side who tried to get out of the way, because he had to squeal then too.

After Kaoru and Toshiya were done with everything, Toshiya snatched a bottle of water from the kitchen and took it with him to his room, where Kaoru already was sitting on the edge of Toshiya's bed.

"Hey you can get in if you want. It's cold just in boxers ne~?"
"I didn't know on which side you would like to sleep, so I waited for you."

Toshiya felt like melting. Damn, Kaoru was such a sweetheart,
Slowly the younger one crawled onto the bed, sitting down behind Kaoru, getting his legs under the blanket.
 "Usually I sleep at the wall, but if you want we can change."
Kaoru smiled and sat down besides Toshiya. "No I'm fine like this." He got his legs under the blanket too. Toshiya then laid down, flat on his back and Kaoru turned to him, supporting himself on his elbow. Without a word he leaned down and planted another soft kiss on Toshiya's lips. He parted from him and looked into his eyes, and then he closed his own ones again and leaned down again. His lips found Toshiya and they melted against each other in a deep kiss.
Toshiya pulled Kaoru more onto him; better said Kaoru was now above him.
They kissed more passionate, deeper, wilder, until they parted with a light moan and looked into each others' eyes. The gaze Toshiya gave Kaoru told him everything. It should happen here and now.

Slowly Toshiya moved under Kaoru. He positioned himself so that the older one was lying between his legs on him. A loving hand ran through Kaoru's hair.
"Kaoru... I love you." Toshiya kissed Kaoru's forehead.
"I love you too." And Kaoru smiled, and he smiled through the kiss until his lips started leaving Toshiya's finding their way to the tender skin of the boy's neck.
Toshiya closed his eyes and let everything happen. He caressed Kaoru's hair and tilted his head to the side, to give Kaoru better access. His lips made their way up to Toshiya's earlobe where they kissed it and made the younger one shiver in pleasure.
Kaoru's breathe tickled Toshiya's ear as he whispered these words: "Is it a sin to tell you that I want you?"
Toshiya couldn't hold back the little smile. "And is it a sin to tell you that I want you as well?"
Kaoru smirked and let his lips wander back to Toshiya's lips, where they met in a hot and passionate kiss again.

Just these kissed made both of them feel like walking on clouds, but each time they looked into each others' eyes and each time they kissed again, everything got more intense, and everything except the other one faded into nothing. Just Kaoru existed for Toshiya and Toshiya for Kaoru. They forgot everything around them.
Slowly but surely Kaoru felt himself hardening. Each time their kisses broke Kaoru breathing got harder and hotter, and so was Toshiya's. The younger one felt like losing sanity. He felt Kaoru getting hard against him, rubbing himself up at his hips. Gods Toshiya had the utter desire to feel Kaoru naked on him ... in him.

"Kaoru... sleep with me." Toshiya demanded and earned a nod and a warm smile from his koi.
Kaoru just enjoyed the feeling of Toshiya's fingertips running down his spine, down to his boxers, to push them down bit by bit. Kaoru wiggled out of them and kneeled up to run his hands down Toshiya's chest down to his flat belly to the elastic of his boxers. Slowly, nearly in a loving way he pushed his fingertips under the elastic of them and started pulling them down, over the half erected length of his lover. Toshiya took a breath in when the elastic slided over his intimate area and let out his breath again when they were completely down. His eyes ran up Kaoru well formed body, and Kaoru did the same with Toshiya. He studied every little detail of his koi's body. This

was the perfect moment for it, because all this beauty and purity was lying in front of him, dedicating all the love it had to him. He felt incredibly touched by his own thoughts and leaned down to kiss Toshiya again, who looped his slender long arms around Kaoru's neck and deepened the kiss, till Kaoru freed his lips of Toshiya and let them run down his neck, over to his collarbone to his nipple.

Toshiya had never thought that just a bit of kissing and sucking could make him so aroused. Kaoru kissed his nipple and after some time, after it got hard he closed his mouth over it and sucked lightly, making Toshiya clench the sheets under him and let out a tortured moan. Yes he wanted more, he wanted Kaoru.

Kaoru thought he'd eat this boy alive. The moaning, squealing and the kisses, even just the lightest touch made him shiver, in utter pleasure. He wanted to sleep with him, he wanted to feel him, but he also didn't want to rush things. He wanted to make sure that Toshiya was ready. And so he let his hand wander lower and lower, down Toshiya's tummy to his erection. His lips were still closed over Toshiya's right nipple, when his fingertips started exploring his koi's cock, going up and down.

Toshiya tore his eyes open in this moment and tried to fight for air. His mouth was widely opened and he let out a deep husky moan from inside and fell back down into the pillows, panting hard.

Kaoru went on and gripped Toshiya's erection harder, making the same movement with his complete hand like with his fingertips just some seconds before.

Toshiya was staring at the white ceiling over his head, holding his breath and then letting it out with a moan. He closed his eyes quickly again and felt his own hips moving into Kaoru's touch.

He looked at him, seeing how concentrated he was to give him pleasure. Toshiya reached out and touched Kaoru's arm, so he'd look at him.

"Kaoru..." It was more a moan that was escaping Toshiya's lips.

He begged him with his eyes and Kaoru couldn't resist. He wanted him like he wanted him too.

Toshiya stretched out, over to his nightstand and started fishing around in a drawer until he found the little tube of lube a friend had given to him as a present. It had been just for fun but now it was... helpful. He handed it to Kaoru with a light blush, who grinned a bit at him.

"Don't be afraid or anything ok? I will only do what you want, nothing more." Kaoru again leaned down to Toshiya and kissed him, who nodded and whispered: "Hai."

Kaoru sat back up, caressing Toshiya's shins, going up to his knees, slowly starting to part them, with no resistance from Toshiya's side.

Kaoru was now able to see the most intimate point of his koi and Toshiya was not ashamed to show it. He trusted Kaoru and he also did when Kaoru poured some of the lube onto two of his fingers, bringing them to Toshiya's entrance, slowly and gently pushing one in.

One was still ok, and it even didn't feel that bad. Kaoru pushed himself in as deep as possible and started massaging Toshiya from the inside. Toshiya looked up and Kaoru and nodded, and so did Kaoru. He pulled out again a bit and joined his first with his second finger.

Toshiya clenched his teeth together, but it was ok. He needed to get used to it. Kaoru patiently waited for Toshiya's muscles to relax. And as he did he started moving his

fingers, going deeper until he felt Toshiya's hips jerk up.

"You ok?" Kaoru looked worried at Toshiya.

"Just... gods just go on." Was everything Kaoru got in response.

Kaoru did as Toshiya wished, and the younger one started to move his hips against Kaoru's fingers, clenching the sheets underneath him again, breathing hard.

They went on like this until Toshiya's panting turned into moaning and Kaoru just knew that he had prepared Toshiya well enough.

Kaoru poured more of the lube into his fingers and coated his throbbing erection in it. Toshiya was lying in front of him, legs widely spread, panting, waiting for his lover to claim him, to make him his completely.

Toshiya felt Kaoru tip at his entrance and on one side he was afraid of the pain, but on the other side he wanted him desperately, he wanted to know how it was to melt into one with Kaoru.

Slowly with his gaze resting on Toshiya's face Kaoru started pushing himself in. Toshiya did his best to stay relaxed and just take the pain. But just some seconds after Kaoru had started to push himself in, he felt tears welling up. His breath was going fast and uncontrolled.

Kaoru saw Toshiya's facial expression changing and immediately stopped leaning down to his lover kissing him.

"Shall I stop?"

But Toshiya just shook his head eagerly. "No I want to feel you Kaoru. And I believe that it will feel better soon."

Toshiya was relaxing again and leaning up a bit to snatch a kiss from Kaoru.

"Just hold onto me..." Kaoru smiled at Toshiya, and Toshiya nodded, resting his hands on Kaoru's shoulder, pulling his legs a bit more up.

His koi went on with pushing himself in and each time Toshiya felt the pain getting to immense he dug his fingernails into Kaoru's shoulders, who stopped for a moment and then went on to give Toshiya some time to get used to it.

When he had buried himself till the hood in his lover, he looked down into his brown eyes and wanted to pour all of his love into the next kiss he gave him.

Toshiya was still holding onto Kaoru when he started moving, slowly and gently, not to hurt Toshiya more then needed. At first the younger one felt like somebody was piercing his guts from the inside, like he was dying.

He pulled Kaoru down and rested his head in the curve of his lover's neck. Some hot and salty tears falling down onto Kaoru's collarbone, but suddenly it started feeling good. Suddenly the pleasure was taking over the pain and Toshiya felt himself getting more and more aroused by this new and strange feeling. With every thrust the pain faded into the background and the pleasure took over.

Toshiya wrapped his legs around Kaoru's hips and moved his own ones against Kaoru's in the same rhythm. He let go of Kaoru and laid down flat under him, looking up at him, seeing how much Kaoru was enjoying this, how much pleasure and lust he found in this. Kaoru too opened his eyes and smiled down at Toshiya when he saw the smile on his lips and the always repeating moans and the way he closed his eyes to enjoy this.

Slowly but surely they were reaching the peak. Kaoru himself was near the edge, but he wanted to wait for Toshiya, he wanted to come with him, to make this special.

Just in the moment as he felt Toshiya tensing around him, his breath increasing and

the grip on his shoulders getting together, he let go with Toshiya together.

Out of breath Kaoru collapsed on the younger one, just to get taken into his arms...

~END OF FLASHBACK~

Kaoru opened his eyes and found himself back in the shower. Damn he had lost his feeling of time and had faded into his memories, to enjoy this moment again. It had been so wonderful... Kaoru sighed and looked down, and tore his eyes open in shock. Just thinking of this had made him... get aroused. He felt so damn ashamed now. He felt like he had committed a sin.
Slowly he sank down onto his knees, leaning his head against the cold shower tiles, hitting it against the wall again and again.
"Why did you leave me... Why?... Toshiya... I miss you..."

Kapitel 6: Buried alive by love

Zwar nicht das längste aber es hat es in sich. Vielleicht schrieb ich noch nen Epilog falls es euch gefällt und ich ne Eingebung. Aber nun noch viel Spaß mit dem Final Chapter: Buried alive by love!

_____

At the morning of the 3rd April Kaoru was starting to put on the black suite he had borrowed. He looked at himself in the mirror, his facial expression cold as ice. He corrected his black tie again and then left Toshiya's bedroom, because in the guestroom there was no mirror.
Toshiya's parents were waiting in the corridor for him, and they left for the funeral when Kaoru got ready.
On the way to the cemetery Kaoru was looking out of the car window, watching the Sakura bloom, its petals flying through the wind. It was a beautiful day, followed by a heavy dark shadow.

Arriving at the cemetery, they entered the small cathedral, where the coffin was already sat up. The rest of the family was slowly arriving too.
The women were crying and the men making a sad face, soothing their women, sisters, mothers, aunts and girlfriends.

Kaoru sat down in a corner of the room, his gaze dead, staring down at his hands.
There was just one thing going through his mind:

~I'll never see him again, I'll never feel his skin on mine again, kiss him again...~
And this sentence was repeating over and over again in his mind.

The ceremony started and Kaoru even didn't listen. He was just too deep into his thoughts about Toshiya and him, the beautiful time they have had with each other...
Why had he done this? Why had he left him alone on this cruel world? He was his only reason for living.
Now tears started rolling down his beautiful cheeks. Harshly he brushed them away, glimpse of anger in his eyes.
He remained silent till the ceremony was over and everybody said their good byes to Toshiya. Just Kaoru and Toshiya's parents were left.

"C'mon darling. Let him say his good bye."
Toshiya's mom pulled lightly at her husband's sleeve, and they left, leaving Kaoru alone with Toshiya.
The coffin was opened and Toshiya's beautiful face on display. He looked down at him.

"Toshiya..." Kaoru spoke softly to him.
"Why did you leave me? ... Did I give you any reason to kill yourself, have I hurt you in any way?"

He folded his arms on the edge of the coffin and put his head onto his arms, closing his eyes and letting his tears flow. Yes he did feel guilty.

"I love you... I still do and always will. I don't want to be without you... Everything seems so empty..."

He straightened himself up again.

"We'll meet each other again... I promise."

He kissed two of his fingers and put them over Toshiya's lips. They were ice cold.

He left the cathedral now, joining Toshiya's parents.

Just some minutes later the coffin was carried out to the grave. Kaoru's mind was spinning. He was feeling all these delicate feeling he had for Toshiya, welling up inside him again. He couldn't hold back a tear anymore.

The priest was speaking words full of love and tenderness and then Toshiya's dad.

Kaoru shut himself up. He couldn't listen to this anymore. During the speech he backed some meters away to a sakura tree, silently tearing a twig off it.

People started putting flowers into the grave, after the coffin was put down into the grave, but Kaoru didn't watch this, or it would break his heart completely.

He as the last person put the sakura twig into the grave and watched soil being thrown over the coffin, burying Toshiya.

He was gone now, never going to return back onto this blue planet in this life...

Kaoru made his way to the end of the graveyard where he had a smoke, brushing the tears off his face.

"Toshiya..."

Some hours later there was big dinner. Kaoru was sitting in a corner on a chair again; with a beer Toshiya's dad had given him, observing the people. Some already were laughing and Kaoru hated them for it. How could they already laugh?

The day was coming to it's end and the Hara's were returning home with Kaoru. He was going to stay the night and taker the next train back to Hyogo tomorrow morning. Without saying a word everybody went to bed. A silent agreement...

The next morning he was having breakfast with the Hara's.

"I can take you to the station by car." Toshiya's dad offered.

"No, no... I'll take a walk there. I need to get my thoughts organized again." Kaoru answered and Toshiya's parents nodding.

Later on he left the house, but he didn't go to the station. He went to the cemetery again, getting another twig of the sakura, putting it onto Toshiya's grave.

"I love you... and as I promised, we will meet again."

The first droplets of blood ran down the gravestone, staining the sakura petals, which were blown away by a warm bring breeze.

_____

Kaoru was found just some hours later by a small family wanting to visit their family on the graveyard. They called the police and ambulance.

Toshiya's father let his cup of coffee fall from his hand as he opened the newspaper. He called out for his wife, Toshiya's mother to show her the article. It was about Kaoru's suicide on Toshiya's grave.
Toshiya's father was having terrible gilt feelings. Why did he let Kaoru leave on his own? The boy was 19. Everybody thought he was old enough to handle it...

~Please don't let him do anything stupid~
Toshiya's mom remembered the letter her son wrote.

~*~

7 years have passed since Toshiya's and Kaoru's death.

"Oi! Kao!!" The little boy cried out.

It was a wonderful early summer evening in Tokyo. Two little boys were sitting on the roof of a garage near by their elementary school and kindergarten; their short legs dangling off the edge of the roof, the sun just setting.
The smaller one tried to get his lollypop back, but the older one just grinned at the smaller one.
"Kao!! Give it back!" Still the younger one tried to get it back, but the older one didn't let him.
"Kaooooo!" Toshiya's bottom lip started trembling and his eyes watering. A tiny tear escaped his eye. Kao saw that and made a sad face. He handed the lolly back.
"... You know, Toshiya... I like you." Kaoru smiled shyly at Toshiya.
Toshiya took the lollypop back into his mouth, smiling now at Kaoru too.
 "I..." He put his head onto Kao's shoulder. "I like you too."
