

Träumereien in eine andere Welt

kleine Gedichtesammlung von mir

Von Rod_Gonzalez

Kapitel 4: sorry for what I am...

Why do you love me?
Don't you see?
Surface and mind so ugly...

How could I love someone?
I hate myself.
Please look away...

...I can't stand it!
...but it makes me feel even more lost.

Tell me...what should I do?
Hide from the rest of the world?
Or learn how to be with others?

Both ways hurt me
and
other ones...

...like you...

please forgive me...

I don't want to lose you...

never...
